

## JULY FOURTH IN SMITHFIELD

(Continued from page one)

We note with pride the pretty compliments paid us by your paper on being the pioneer move in the clean city contest. Much credit is due Mayor Richardson and his council for the push and progress spirit so much in evidence. From all reports and appearances every citizen is anxious to clean and improve property so with such unity we look for desired results.

The publicity committee has sent a circular letter to every house explaining what is required to bring our city up to the standard.

Mr. and Mrs. Elias Mather went to Treasuraton to spend Independence Day with George Sant and family.

Sylvester Low and Mrs. Eliza Low are the guests of Mrs. Lillian Smith at Salt Lake City for a few days.

Some of our Blue Creek region boys are feeling blue over the enormous damage to crops by the late frost.

Bert Mourilton fell from a horse last Monday, breaking both bones in his arm between the wrist and the elbow.

Mr. Joseph Hill went to American Fork to spend the Fourth with his daughter Mrs. James Gardner, and also be present at the home coming exercises.

J. V. Allan's new fire brick house is up to the square. This is another fine building for our city.

Mr. Richard Roskelley and family moved into their new bungalow the past week. This house is one of the finest and most beautiful in our city, not only a credit to the builder but to the town.

Mrs. Lorin Lewis and baby, of Lewiston returned home Wednesday after a pleasant visit here.

Mrs. J. E. Sheffer entertained at dinner on Friday evening complimentary to Mr. and Mrs. Leo D. Brooks who have severed their connection with the drug company and are preparing to locate in California.

Mrs. Brooks and little son, left for Long Beach, California, Saturday morning. Mr. Brooks will remain here a while longer and straighten out business affairs.

Mr. Edward Pitcher of our city has won recognition sufficiently to merit a promotion from the Studebaker Co. He has been chosen as manager of the Boise branch house.

The U. P. D. will meet at the home of Mrs. Rebecca Pitcher on July 8.

Mrs. Courtney Moses and wife are visiting at the Moses home here.

Messrs Hyrum Olney and Frank Woods are rejoicing over the safe arrival of babies at their homes.

Joseph Gutke of Shelley, Idaho is visiting friends here this week.

Mr. and Mrs. George Thomas of Rigby, Idaho are the guests of their daughter Mrs. Porter Ewing.

Mrs. Antone Ahlstrom of Montpelier, was brought here last week suffering from typhoid fever, she is slowly recovering.

The Misses June Sweltzer and Lavada Harry, of Logan, were guests here on Sunday.

Miss Pearl Griffith had a severe attack of appendicitis during the past week.

Miss Wanda Tibbets of Preston, was the guest of Miss Zina Miles last week.

James Mack Jr., Glen Mack and Ada Mack of Ogden and Miss Helen Mack of Salt Lake, have been visiting relatives and friends here the past week.

Mr. Ora Roskelley of the Brigham City high school faculty, spent Saturday last here with her mother.

Mrs. Wilkes returned on Friday to her home at Bloomington after a pleasant visit with Dr. and Mrs. Jarvis.

Leonard Miles and Martha Blackhurst were Salt Lake passengers last week.

Miss Thelma Cazier is visiting at Grace, Idaho with Mr. and Mrs. Harvey Christenson.

Mr. and Mrs. Jensen of St. Charles Idaho, are visiting the Monson family.

We sympathize with Mr. and Mrs. Layon Kimball in the death of their six months old baby.

Mrs. F. H. Knuppel has rented a room on Main street and will open a public rest room. She will also make and sell children's ready to wear clothing.

## HUERTA ELECTED PRESIDENT

Mexico City, July 6.—Elections for president, vice president, deputies and senators were held today in that portion of the republic controlled by the Huerta government. Indifference was manifested everywhere.

General Huerta appeared to be the favorite candidate for the presidency and General Blanquet for the vice presidency.

President Huerta, it is reported, received a virtually unanimous vote of confidence. The returns indicate the re-election of all present members of the chamber of deputies and the

senate.

The lightest vote in many years was cast both in the capital and nearby towns.

## TROUBLE BREWING IN IRELAND

London, July 6.—With every week of suspense in the settlement of the future government of Ireland the menace of the military preparations by the Ulster and the home rule volunteers increases. The present tendency among the volunteers of the south is to accept leadership by the Nationalist party which John Redmond offered them. Thus led, there would be a clear division of home rule and anti-home rule men into hostile armed camps. The very danger of a bitter civil war which such a prospect presents furnishes the best safeguard for peace.

Correspondents of the Associated Press at Dublin and Belfast have written of the situation from the Nationalist and Ulster points of view respectively. The most interesting development is the plan, hitherto unpublished, of the Orangemen under Sir Edward Carson for taking charge of affairs by force if a provisional government is set up, and the fact that the commercial men of Belfast have used their influence in Ulster councils to postpone radical action until a home rule parliament has been established in Dublin. The great question which confronts the Nationalist volunteers is how far their American sympathizers are likely to come forward with funds for their arms and equipment.

plosion. Why Caron was denied a place among the workers was not made clear.

A gruesome but suggestive piece of evidence uncovered was a severed hand which clutched two small pieces of wire made ready for connections. The authorities believe that the owner of this hand was in the act of making an electric connection for one of the bombs and a battery when the explosion slew him.

#### Notebooks Found

The search for papers and notes was minute and some notebooks with the names of several anarchists were found. There were also pamphlets which had been sold at I. W. W.
